## Ace Fireworks - Experience and Personal Attention in each display!

Ace Fireworks is a family owned and operated business.  
Ace fireworks was established in 1979.

Over the years we have become a major provider of fireworks displays to:  
Shows, Festivals, New Year Celebrations, Australia Day Celebrations,  
Speedways, School fetes, Mardi Gras, Weddings and just about any other  
event or celebration you can think of.

We perform major displays in Queensland and other states across Australia,  
and countries all over the world including the various locations in the USA and  
also in Macau, China where we competed and placed 3rd in the World  
Fireworks Championships.

Through our years of experience, we have become one of the largest  
fireworks businesses in Queensland.

Most recently our focus has been monster trucks. Our trucks have been the  
focus of thousands of children and adults attention at multiple shows across  
Australia. We perform to sell out crowds and our trucks put on a show to  
remember
