

Animal Welfare League Qld's PARTY ANIMALS

Your child will have a birthday to remember, interacting with our beautiful animals here at the AWLQ Rehoming and Education Centre on the Gold Coast.

Our parties offer hands-on animal presentations, a behind-the-scenes tour of our shelter, animal-themed craft activities, use of our indoor and outdoor facilities, access to themed party invitation designs and AWLQ 'take-home' party bags for all guests.

Not only will your child have an unforgettable experience hosting a party at AWLQ, you will be helping to support the work of AWLQ, who care for over 10 000 homeless and abandoned animals in South East Qld each year!

Party Animals packages can be tailored for kids 2 - 12 years old! We have a package to suit everyone and if you can't find something to suit here, give us a call and we can tailor something just for you!
