

# LATEST FETE EXPERIENCE

## VIDEO GAME THEATRE ONLY \$440

### PERFECT FOR YOUR NEXT FETE OR FESTIVAL

Attract more attendees to your next fete or festival with the inclusion of an ultimate gaming theatre. Not all kids like rides or are too young or old for what you have on offer, the gaming theatre tailors the games and systems to engage all age ranges (this includes adults as well.) Our gaming coaches co-ordinate the day to ensure all participants have an unforgettable time.

The normal rate for events and expos is over \$800 per day however we are offering this special discount rate to schools across QLD to help bring more people to their local events.

The gaming theatre is the latest craze and is being hired for birthday parties (\$299.00 + GST for 2 hours) and other private functions. If any of your attendees book our gaming theatre on the day for their event we will give \$20 back to your school.

There is no charge for the attendees once we have arrived so it brings a unique FREE entertainment option for the attendees at your next fete or festival.
